

Vintage Industrial Factory Mould, English, Engineering, Doorstop, Architectural

**DESCRIPTION**

Our Stock # 18.8462

This is a vintage industrial factory mould. An English, painted decorative engineering pattern or doorstop with architectural interest, dating to the mid 20th century, circa 1950.

- Strong industrial taste and unusual decorative form
- Displays a desirable aged patina throughout
- Striking tiered conical shape, tapering to a point
- Pleasingly heavy, the mould lends itself perfectly for use as a doorstop
- Painted in vibrant yellow and orange hues
- Replete with stamped factory specific markings
- Set within a recess upon the cone, the number 33029

This vintage industrial factory mould is a great example of industrial taste, with highly distinctive form and colour. Delivered polished and ready to display.
