

Vintage Industrial Mould, English, Decor, Doorstop, Engineering, Architectural

DESCRIPTION

Our Stock # 18.8501

This is a vintage industrial section mould. An English, painted decorative doorstop or engineering pattern with architectural interest, dating to the mid 20th century, circa 1950.

- Distinguished industrial taste, with architectural appeal
- Displays a desirable aged patina commensurate with factory use
- Tiered conical shape culminating in a carved teak point
- Reassuringly heavy, ideal for use as an unusual doorstop
- Painted in vibrant yellow with bands of ebonised hardwood
- Displays period factory specific markings
- Set within a recess upon the cone, engraved and handwritten with 8" Cone

This is a vintage industrial section mould, a quality example of industrial taste. Delivered polished and ready to display.
