

Miniature Vintage Language Library, English, Leather, Book Stand, Dictionary

**DESCRIPTION**

Our Stock # 18.8506

This is a miniature vintage language library. An English, leather book stand with five dictionaries, dating to the mid 20th century, circa 1950.

- Adorable and compact, a treat for the desktop or coffee table
- Displays a desirable aged patina throughout
- Five bound volumes presented in a neat leather stand
- Spines annotated in gold tooling, with English, French, German, Spanish and Italian dictionaries
- Each book published by Burgess & Bowes of London and printed in Belgium

This is a fascinating and appealing vintage language library, with soft leather binding and charming book stand. Delivered ready to enjoy.
