

Vintage Phrenology Head, English, Ceramic, Decorative Bust, Medical, Display

DESCRIPTION

Our Stock # 18.8562

This is a vintage Phrenology head. An English, ceramic decorative bust, dating to the late 20th century.

- Charming display of the 18th century science of Phrenology
- Displays a desirable aged patina and in good order
- Ceramic presents crisp white tones, with striking hand painted cobalt blue borders
- Accentuated with the cranial regions of Phrenology, a fascinating study of the human psyche
- Detailed base with a paragraph by the American L.N. Fowler and information of their London exhibition

This is a delightful vintage Phrenology head, with appealing details. Ideal for the desktop or mantelpiece. Delivered polished and ready to display.
