

Antique Black Forest Fireside Bin, German, Coal, Log Store, Planter, Victorian

DESCRIPTION

Our Stock # 18.8567

This is an antique Black Forest fireside bin. A German, beech and copper coal or log store, dating to the late Victorian period, circa 1900.

- Wonderfully decorative storage bin or jardiniere, with an appealing finish
- Displays a desirable aged patina and in good order
- Beech staves show fine grain interest and rich caramel hues
- Copper presents warm amber hues with a naturally aged patination
- Articulated handle stands prominently above a distinctive, tapering ribbed form
- Removable copper line for ease of cleaning, with drain holes to the wooden frame
- Raised upon a trio of circular bun feet beneath an ebonised circular plinth

This is a delightful antique Black Forest fireside bin, graced with a distinguished form and appealing colour. Ideal for all fuel types, delivered waxed, polished and ready for the fireplace.
