

Antique Pharmacist's Medicine Cup, English, Glass, Apothecary Measure, Victorian

DESCRIPTION

Our Stock # 18.8743

This is an antique pharmacist's medicine cup. An English, glass and leather apothecary measure, dating to the Victorian period, circa 1900.

- A fascinating pocket medicine cup and miniature measure
- Displaying a desirable aged patina and in good order
- Hand-etched glass with measures for spoonfuls, presenting a bright appearance
- Protected within a quality, patinated leather case with a distinctive purple interior
- Case lid reads 'Medicine Glass, Minim Measure'

This is a charming antique pharmacist's medicine cup, utilised by travelling chemists to offer their concoctions. In good order and nicely presented, delivered polished and ready to display.
