

## Vintage Egg Timer, English, Brass, Glass, 3 Minute Sand Countdown, Mid Century

### DESCRIPTION

Our Stock # 18.8710

This is a vintage egg timer. An English, brass and glass 3 minute sand countdown, dating to the mid 20th century, circa 1960.

- Charming vintage timer set within a polished frame
- Displays a desirable aged patina throughout
- Bright golden tones to the quality brass body
- Glass sand timer with clear appearance, lasting 3 minutes and 2 seconds
- Adorned with zodiac signs and roman numerals

This is a fascinating vintage egg timer, with a 3 minute span also ideal for making a perfect cup of tea or timing board games. Delivered polished and ready to observe.
