

Antique Parson's Candle Holder, English Silver Plate Nozzle, Ink Well, Victorian

DESCRIPTION

Our Stock # 18.8749

This is an antique parson's candle holder. An English, silver plate nozzle or ink well, dating to the late Victorian period, circa 1900.

- Petite candle holder or desktop ink well with bright finish
- Displays a desirable aged patina, with some minor tarnish commensurate with age
- Quality silver plate presents a good reflective appearance
- Nozzle diameter of 20mm (.75")
- Dressed to the base with the original leather protective pad

This is a charming antique parson's candle holder, perfect for illuminating a book within a reading nook or filling with ink. Delivered polished and ready to use.
