

Set of 3 Vintage Dunhill Pens, German, Fountain, Fibre Tip, 14k Gold Nib, Desk

DESCRIPTION

Our Stock # 18.8753

This is a set of vintage Dunhill pens. A German, gilt metal fountain and felt-tip pen, dating to the late 20th century, circa 1980.

Upon purchase of the celebrated Montblanc pen company in the 1980s, Alfred Dunhill of London leveraged the expertise and craftsmanship to launch their own line of bespoke luxury pens.

- Striking golden tones exude quality and class for the executive desk
- Displaying a desirable aged patina and in good order - require filling for use
- Striking gilt metal finish to the steel body, with distinctive pattern
- Each lid with Dunhill engraved to the clip, further engraved Germany and with AD maker's mark
- The fountain pens based on the Montblanc Noblesse, with Dunhill's own Parallel Line pattern
- Both dressed with 14 carat gold '585' hallmarked nibs
- Accepts a short international standard ink cartridge (38mm variety)
- Fibre-tip pen includes the original Dunhill 709 insert, made in West Germany
- Current cartridge dimensions of 111mm long, with a 6mm diameter
- Accepts Euro-format inserts, the original spring present
