

Vintage Decorative Toast Rack, English, Ceramic, Breakfast Stand, Mid Century

DESCRIPTION

Our Stock # 18.8763

This is a vintage decorative toast rack. An English, ceramic 4-slot breakfast stand, dating to the mid 20th century, circa 1940.

- Delightful pastel shades to brighten your morning
- Displays a desirable aged patina in good original order
- Quality ceramic finished in bright handpainted colours
- Foxglove pattern set upon a dashing lemon yellow ground
- Maker's mark to base for Carlton Ware, with Australian Design

This is a charming vintage decorative toast rack with vibrant colour and sweet foliate pattern. Delivered polished and ready to serve.
