DESCRIPTION

Our Stock # 18.8754

This is a vintage chemist's dispensing cabinet. An English, walnut and milk glass apothecary set, dating to the mid 20th century, circa 1950.

- Fascinating dispensary cabinet, with mid century glassware and craftsmanship
- Displays a desirable aged patina with some wear commensurate with age and use
- Quality walnut stocks show fine grain interest and warm caramel hues
- Selection of glass jars and tubes in good original order
- Seven glass pieces, from large jars with apparatus to small dispensing vials
- Useful milk glass slide to the reverse of the drop front ideal for dispensing
- Comes with accessories including hand bellows and filter paper
- Dressed to front with the maker's mark for Griffin & Tatlock, brass loops to rear for mounting

This is a delightful vintage chemist's dispensing set with appealing mid-century glassware. Versatile case, ready for wall mounting. Solid joints and construction, delivered waxed, polished and ready to display.
