

Large Antique Carboy, English, Glass, Storage Jar, Terrarium, Victorian, C.1900

DESCRIPTION

Our Stock # 18.8809

This is a large antique carboy. An English, glass storage jar or terrarium, dating to the late Victorian period, circa 1900.

- Generously sized with charming antique glass and pleasing colour
- Displays a desirable aged patina with some visible blowing marks
- Lightly green tinted glass in good original order, with a clear appearance
- Provides an opening diameter of 9.5cm (3.75")
- Could provide storage for coins or a bountiful terrarium scene

This is a fascinating antique carboy with a generously large proportion. Delivered polished and ready to use or display.
