

Large Vintage Carboy, English, Decorative, Glass, Storage Jar, Late 20th Century

DESCRIPTION

Our Stock # 18.8869

This is a large vintage carboy. An English, decorative glass storage jar, dating to the late 20th century, circa 1970.

- Generously sized, with distinctive 'garlic clove' form
- Displays a desirable aged patina throughout
- Lightly green tinted glass in good original order, with a clear appearance
- Provides an opening diameter of 11cm (4.25")
- Of useful size for collecting loose change

This is a fascinating vintage carboy with a generously large proportion and unusual blown form. Delivered polished and ready to use or display.
