

Vintage Brown Bear Portrait, English, Oil, Victorian Pine, Anthropomorphic Art

DESCRIPTION

Our Stock # 18.8848

This is a vintage brown bear portrait. An English, oil painting on reclaimed Victorian pine, dating to the late 20th century, circa 1970.

- Jovial and intriguing, ideal for collectors of anthropomorphism
- Displaying a desirable aged patina throughout
- Skilfully handpainted onto a reclaimed Victorian pine panel
- Of generous size, ideal for display in the home or a retail space
- Fascinating portrait of a brown bear in a green smoking jacket
- Superb colour, with rich brown, green and yellows hues on a black ground
- Artist's initials to the lower corner - appears to read 'BSM'
- Dressed with small brass mounting loops for ease of hanging

This is a striking vintage brown bear portrait, presenting great character and colour. Delivered ready to mount.
