

Antique Fireside Bucket, English, Decorative, Coal Scuttle, Logs, Georgian, 1800

DESCRIPTION

Our Stock # 18.8883

This is an antique fireside bucket. An English, brass decorative coal scuttle, dating to the Georgian period, circa 1800.

- Of excellent colour and superb detail, perfect for the grander fireplace
- Displaying a desirable aged patina with some running repairs to the base
- Polished brass presents warm golden tones with minimal wear
- Tapered rim accentuated with attractive foliate pattern detail
- Delightful lion head masques situate a pair of circular drop handles
- Raised upon a trio of classic lion paw feet

This is a wonderful antique fireside bucket, with excellent lion detailing adding appealing character. Suitable for all fuel types. Delivered polished and ready to display.
