### DESCRIPTION

Our Stock # 18.8876

This is a vintage Fuller's Calculator. An English, mahogany and brass cased scientific instrument by Stanley of London, dating to the mid 20th century, circa 1950.

- Quality mathematical instrument of superb collector interest
- Displays a desirable aged patina and in good order throughout
- Brass and paper cylinders show appealing colour
- Presented within a mahogany box, showing fine grain interest
- Beautifully turned screw-in handle attaches at the lower end
- Rotating the cylinders provides mathematical equations of reassuring reliability
- Engraved pointer with number scale for ease of reading the paper scales
- Stanley maker's mark appears upon the paper scale

This is a wonderful example of a vintage Fuller's Calculator, providing complex, yet reliable mathematical answers. As good today as it was 70 years ago, or gracing a desktop. Delivered waxed, polished and ready to fascinate.
