

Pair Of Large Vintage Planters, Continental, Terracotta, Jardiniere Pot, Garden

DESCRIPTION

Our Stock # 18.8975

This is a pair of large vintage planters. A Continental, glazed terracotta jardiniere pot for indoor or garden use, dating to the late 20th century.

- With great colour and of generous proportion
- Displays a desirable aged patina throughout
- Appealing depth to the glazed red finish, applied upon terracotta
- Classically distinctive bulbous shape on footed stand
- Finished with a drainage hole to base for planting

This is a charming pair of large vintage planters, with excellent size and a distinctive mottled finish to the rich red hues. Delivered polished and ready to fill.
