

Set of Vintage Rare Earth Metals, Continental, Decorative Display, Oak Plinth

DESCRIPTION

Our Stock # 18.9054

This is a set of vintage rare earth metals. A Continental, bismuth, pyrite and galena decorative display on oak plinth, dating to the late 20th century, and much, much earlier.

- Fascinating decorative piece, ideal for the desktop
- Displays a desirable aged patina and in good order
- Striking natural elements, each with their own appealing properties
- Each element pleasingly mounted upon a quality oak plinth
- Wonderful colour to the rainbow bismuth, with a triangular form
- Pyrite shows the natural cube forms and light golden tones
- Galena in the manner of an iron age arrow head, with shimmering grey tonality

This is a charming set of vintage rare earth metals, with a trio of distinctive subjects. An unusual and intriguing decorative item, well-suited to the desktop or upon a mantelpiece.
