

Antique Helmet Scuttle, English, Brass, Coal Bucket, Fireside Bin, Victorian

DESCRIPTION

Our Stock # 18.9007

This is an antique helmet scuttle. An English, brass coal bucket or fireside bin, dating to the late Victorian period, circa 1880.

- Attractive helmet shaped scuttle with appealing beaten finish and colour
- Displaying a desirable aged patina and in good order
- Vibrant brass shows rich hues and lightly hand-finished charm
- Rolled top handle clasped by shaped brackets, smaller brass handle to rear
- Lightly weathered interior impressively clean for age
- Raised on a squat circular base with banded finish

This is an appealing antique helmet scuttle, with rich brass hues, set to enhance the fire place in any home, and suitable for all fuel types. Delivered polished and ready for the warmth of the fireside.
