

Pair Of Antique Figurative Bookends, Dutch, Book Rest, Desktop, Victorian, 1900

DESCRIPTION

Our Stock # 18.9062

This is a pair of antique figurative bookends. A Dutch, plaster seated man and woman book rest, dating to the late Victorian period, circa 1900.

- Appealing example of Dutch craftsmanship, with jovial character
- Displaying a desirable aged patina with some small repairs under inspection
- Some light weathering to the black finished plaster reveals warm saffron hues
- Each figure presented seated, with charmingly naive poses
- Maker's initials present to the lower edge, reading 'JJ'

This is a charming pair of antique figurative bookends, with lovely weathering revealing golden hues beneath the black finish. Delivered polished and ready for the mantelpiece or shelves.
