

## Antique Fish Doorstop, English, Brass, Decorative, Door Keeper, Edwardian, 1910

### DESCRIPTION

Our Stock # 18.9065

This is an antique fish doorstop. An English, brass decorative door keeper, dating to the Edwardian period, circa 1910.

- Distinctive appearance with a traditional nautical 'folk' taste
- Displaying a desirable aged patina and in good order
- Warm golden tones to the lightly patinated brass
- Redolent of traditional aquatic illustrations of fish
- Superb detail to the relief form, including layered scale motif
- Substantial in the hand with a weight of 2.42kg (5.33 lb)

This is a fascinating antique fish doorstop, with great colour and appealing nautical overtones. Delivered polished and ready to use.
