

Vintage Decorative Tea Tray, Italian, Serving Platter, Baroque Revival, C.1950

DESCRIPTION

Our Stock # 18.9119

This is a vintage decorative tea tray. An Italian, gilt finished serving platter with Baroque revival taste, dating to the mid 20th century, circa 1950.

- Striking colour and tonality creates a distinctive appearance
- Displays a desirable aged patina throughout
- Beaming golden hues accentuated with bright crimson
- Finished with a serpentine flared rim, hand-painted in light cream
- Reverse accentuated with concertina diamond pattern

This is a charming vintage decorative tea tray with dashing colour and strong revival taste. Delivered polished and ready to serve.
