

Antique Helmet Fire Bucket, English Copper Coal Scuttle, Fireside Bin, Victorian

DESCRIPTION

Our Stock # 18.9184

This is an antique helmet fire basket. An English, copper coal scuttle or fireside bin, dating to the Victorian period, circa 1870.

- Delightful helmet shaped scuttle with pleasing shine
- Displays a desirable aged patina throughout
- Copper shows rich colour and attractive, light polished finish
- Rolled handle clasped by shaped brackets with rivet bonding
- Shaped handle to rear with rounded pull over a shaped back plate
- Raised on a tapered circular base with rolled edge

This is an attractive antique helmet fire basket, with rich copper hues to enhance the fire place in any home and suitable for all fuel types. Delivered polished and ready for the warmth of the fireside.
