

Large Antique Country House Coal Bin, English Copper, Fireside Keeper, Victorian

DESCRIPTION

Our Stock # 18.9243

This is a large antique country house coal bin. An English, copper fireside fuel keeper, dating to the early Victorian period, circa 1850.

- Appealing proportion, with generous storage to attend to the needs of the larger fire
- Displays a desirable aged patina and in original order
- Lightly polished, hand-rolled copper presents warm amber hues
- Minimally tarnished, with a naturally aged interior and circular base
- Finished with a stout rolled handle and shaped handle to rear

This is an a generously sized antique country house coal bin, suitable for all fuel types. A treat for the grand fireplace. Delivered polished and ready to display.
