

Pair Of Vintage Laboratory Chairs, German, Beech, Adjustable, Bar Stool, Kitchen

DESCRIPTION

Our Stock # 18.9244

This is a pair of vintage professional laboratory chairs. A German, beech and chromed alloy adjustable seat, dating to the late 20th century, circa 1990.

- High quality, professional seating for the laboratory environment or home bar
- Displays a desirable aged patina and in good order
- Beech stocks present warm biscuit hues and fine grain interest
- Chromed alloy supports gently polished with minimal tarnishing
- Excellent German engineering reflects in the taut action of the controls
- Superb range of adjustments, including seat height, foot rest height and back rest angle
- Each chair rotates through 360 degrees upon a distinctive five-pointed star foot
- Substantial form, with a weight of 11.3kg (24.9 lb)

This is a charming pair of vintage professional laboratory chairs, with an appealing finish and useful array of adjustments. Ideal for an institution or within the modern home. Solid joints and construction, delivered waxed, polished and ready for the home.
