

Vintage Cartographer's Set, English, Nickel, Architect, Draughtsman, Circa 1950

DESCRIPTION

Our Stock # 18.9339

This is a vintage cartographer's set. An English, nickel architect's or draughtsman's case by Temple Instruments of Wolverhampton, dating to the mid 20th century, circa 1950.

- Fascinating mid-20th century instrument case with quality tools
- Displaying a desirable aged patina and in good order throughout
- Brass finished nickel tools present well, with appealing light golden tones
- Presented within a textured carry case with gold tooled Temple Debrett Precision mark
- Comprising 13 pieces with accessory pointer and an extending beam
- Pair of large compass dividers and three bow compass
- The pair of ruling pens with crisp white celluloid handles
- Dark blue velour interior with an inset Temple Works medallion

This is a superb vintage cartographer's set with a comprehensive selection of tools for the architect or hobbyist. Delivered polished and ready to grace a desk top.
