

Antique Fireside Fuel Basket, Indian, Copper, Bronze, Pan, Coal, Logs, Victorian

DESCRIPTION

Our Stock # 18.9315

This is an antique fireside fuel basket. An Indian, copper and bronze handled daal pot, dating to the early Victorian period, circa 1850.

- Appealingly original pan, ideal for fireside storage
- Displays a desirable aged patina and in good original order
- Distinctive naive hatched pattern accentuates the copper body
- Warm amber hues emanate from the tapered form, with a lightly polished finish
- Stout bronze handle articulates within looped hinges sprouting from wide, shaped brackets

This is a fascinating antique fireside fuel basket, suitable for all fuel types including coal, logs and kindling. A treat for the hearth or as a decorative item. Delivered polished and ready to use.
