

Large Vintage Half-Inch Map Folio, Great Britain, Cartography Atlas, Bartholomew

DESCRIPTION

Our Stock # 18.9370

This is a large vintage half-inch map folio of Great Britain. A Scottish, paper on linen bound compendium of cartographical interest by Bartholomew of Edinburgh, dating to the mid 20th century, circa 1965.

- Of great interest to the collector of maps, covering Great Britain in the mid 20th century in fine detail

- Displaying a desirable aged patina and in good archival order
- Professionally bound in a British made Twinlock Loose Leaf folio
- Each map in fine condition, fully legible and free of loss
- Comprehensive coverage of England, Wales and Scotland (and Scottish Isles)
 - In full colour and detail across half inch scale, each sheet detailing regions or counties
- Annotated for places, major roads and amenities/attractions
- Scale and key detail to each page provides relevant information
- Whilst several sheets are undated, two maps are reprinted from OS detail in 1962 and 1963
- Undated maps feature the Royal warrant for King George V (1910 - 1935)
- Coverage of the Shetland Isles bears their former name Zetland, the change taking place in 1975
