

Antique Figural Umbrella Stand, French, Painted, Decorative Hall Rack,
Victorian

DESCRIPTION

Our Stock # 18.9417

This is an antique figural umbrella stand. A French, painted cast iron decorative hall rack, dating to the late Victorian period, circa 1900.

- Charming chap supports this stand in appealing fashion
- Displays a desirable aged patina throughout
- Cast iron frame accentuated with a delightful colour palette
- Remnants of original paint add great character
- Art Nouveau motif to the scrolled foliate decor

This is a delightful antique figural umbrella stand, graced with a jovial male figure, redolent of Jacques and his haricot magique. Delivered polished and ready for the hallway.
