

Antique Apprentice Chest Of Drawers, English, Small Desktop Case, Georgian, 1800

DESCRIPTION

Our Stock # 18.9404

This is an antique apprentice chest of drawers. An English, mahogany and flame small specimen or desktop case, dating to the Georgian period, circa 1800.

- Beautiful example of apprentice furniture, with a delightful miniature proportion
- Displaying a desirable aged patina and in good order
- Select stocks present fine grain interest and colour depth
- Drawer fascia presented in flame with superb figuring
- Arrangement of three drawers, dressed with pairs of small brass drop handles
- Appealing diamond lock escutcheons in light birch – untested, key absent
- Rope edge carving accentuates the upper and lower crown
- Raised upon a quartet of inset bun feet

This is a charming antique apprentice chest of drawers, with a pleasingly crafted appearance. Ideal for the desktop or smaller specimens. Solid joints and construction, delivered waxed, polished and ready for the home.
