

Antique Dressing Room Armchair, English, Elbow Chair, Silk Cotton, Regency, 1820

DESCRIPTION

Our Stock # 18.9030

This is an antique dressing room armchair. An English, gilt finished elbow chair with silk cotton upholstery, dating to the Regency period, circa 1820.

- Superb elegance, with a wonderful upholstery and gilt finish
- Displays a desirable aged patina throughout, some light wear to textiles
- Striking frame presents great contrast between the ebonised and gilt finish
- Traditionally stuffed with a later, professional reupholstering
 - Distinctive cameo back rest, the cresting rail adorned with a prominent scrolled motif
- Delightful beading accentuates the outer edge, framing the cushioned back
- Presented in light mint green, the silk cotton shimmers delicately in the light
- Ornate embroidered pattern detail in an appealing, muted gold thread
- Prominent arms host padded elbow rests in matching fabric
- Golden brocade trim to the outer edges complements the upholstery
- Canted knees with relief foliate detail, the lower apron with a repeat scroll moulding
