

Pair Of Antique Single Stem Vases, Japanese, Ceramic, Meiji Period, Victorian

DESCRIPTION

Our Stock # 18.9628

This is a pair of antique single stem vases. A Japanese, hand-painted ceramic baluster flower urn, dating to the Victorian period, circa 1880.

- Delicately hand-painted decor from the early Meiji period
- Displaying a desirable aged patina and in good order
- Quality ceramic with an antique white ground over bulbous baluster form
- Charming bird and flower motif accentuate the vase with a light blue wash
- Red character marks to the base of each vase

This is a sweet pair of antique single stem vases, with an appealing decorative finish, ideal for collectors of Japanese taste. Delivered ready to enjoy.
