

Antique Textile Calculator, English, Factory Loom Counter, Fowler & Co, C.1920

DESCRIPTION

Our Stock # 18.9615

This is an antique textile calculator. An English, steel and glass factory loom counter by Fowler & Co of Manchester, dating to the early 20th century, circa 1920.

- Wonderfully tactile and fascinating rotary calculator counter
- Displays a desirable aged patina and in good original order
- Steel frame presents lightly tarnished, silvered hues
- Finished with glass dials to each side - free of cracks or loss
- Integrated knurled crown wheel with chain loop operating the counting dial
- Second wheel operates the needle independently of the face
- In working order, with a fascinating rotary action observed through the rear dial
- Replete with accessory dials and a period instruction pamphlet

This is a fascinating antique textile calculator, with an appealing rotary movement that begs to be operated. Perfect for gifting or enjoying upon a desktop. Delivered ready to delight.
