

Large Vintage Industrial Lab Stool, English, Suede, Kitchen, Office Seat, C.1950

DESCRIPTION

Our Stock # 18.9645

This is a large vintage industrial lab stool. An English, suede and steel kitchen or office seat, dating to the mid 20th century, circa 1950.

- Generously proportioned stool with an inherently versatile nature
- Displays a desirable aged patina, presentable with minimal wear to frame
- Superb, deeply padded cushion with a wide, square shape
- Dressed in quality suede with light weathering to edges
- Splayed frame in mild steel and finished with forest green enamel paint
- Each braced leg terminates in an oak foot capping

This is a delightful vintage industrial lab stool, an inviting perch for rooms throughout the home or institution. Solid joints and construction, delivered ready to enjoy.
