

Vintage Cased Ultra Lens, English, Optical Magnifier, Working Order, Mid Century

DESCRIPTION

Our Stock # 18.9735

This is a vintage cased Ultra Lens. An English, plated brass optical magnifier in working order, dating to the mid 20th century, circa 1950.

- In working order, with a fine cased set of accessories
- Displays a desirable aged patina and in good order
- Plated brass presents cool silver tones with minimal tarnish
- Tactile turned detail accentuates the twist grip operation
- Light bulb illuminates within the optical barrel
- Engraved end cap reads 'Ultra Lens', offers patent numbers and 'Made in England'
- Complete with spare battery holder, a second bulb and a perspex scale
- Small double sided operation booklet sits neatly within the case

This is a fascinating vintage cased Ultra Lens magnifying tool, with a wonderfully presentable finish and in working order. A tactile optical curio, nicely presented within its case with accessories and useful as a distinctive gift or for the collector. Delivered ready to enjoy.
