

Pair Of Antique Equestrian Tack Rests, English Iron, Stables, Outdoor, Victorian

DESCRIPTION

Our Stock # 18.9853

This is a pair of antique equestrian tack rests. An English, cast iron stable or outdoor rack, dating to the late Victorian period, circa 1900.

- Fascinating dome top form to this appealing pair of rests
- Displaying a desirable aged patina with time worn appearance
- Cast iron in patinated finish with nicely rounded form
- Small pillars presents ample space for hanging crops or gloves
- Also useful in a hallway for hanging scarves and cloaks
- Trio of mounting points for ease of hanging

This is a useful pair of antique equestrian tack rests, with a pleasingly aged appearance. Delivered ready to use.
