

Pair Of Antique Equestrian Saddle Racks, English, Stables, Tack Rest, Victorian

DESCRIPTION

Our Stock # 18.9854

This is a pair of antique equestrian saddle racks. An English, cast iron stable or outdoor tack rest, dating to the late Victorian period, circa 1900.

- Appealing traditional saddle racks with a nicely aged finish
- Displaying a desirable aged patina with time worn appearance
- Quality cast iron in patinated finish with nicely rounded forms
- Replete with useful under hooks ideal for riding crops
- Also useful in a hallway for hanging scarves and cloaks
- Set of five mounting points for ease of hanging

This is a robust pair of antique equestrian saddle racks, with a pleasingly aged appearance. Delivered ready to use.
