

Antique Photographic Prop Screen, Japanese, Silk Cotton, Room Divider, Victorian

DESCRIPTION

Our Stock # 18.9199

This is an antique photographic prop screen. A Japanese, silk cotton embroidered 4-fold room divider, dating to the late Victorian period, circa 1900.

- Delicate time-worn condition ideal for set dressing or decorative purposes
- Displays a desirable aged patina, in original order
- Four fold frame dressed in textiles and wooden panels
- Golden silk cotton shimmers delightfully in the light
- Embroidered with charming birds and foliate decor
- Each panel adorned with carved fretwork borders and domed crowns

This is a charmingly time worn antique photographic prop screen, with an appealing Japanese decor. Delivered ready to display or use.
