

2 Vintage Building Block Sets, German, Pine, Toy Box, After Froebel, Baukasten

DESCRIPTION

Our Stock # 18.9825

This is a set of two vintage building block cases. A German, pine toy box or baukasten in the manner of Froebel, dating to the mid 20th century, circa 1950.

- Two fascinating building block sets with great period appeal
-

Rare and collectible and displaying a desirable, lightly play-worn patina

- Pine storage boxes show rich caramel hues with illustrated labels
- Bricks comprising of straights in different lengths, archways and triangles
- Crafted in the manner of Friedrich Froebel's sets – the inventor of the kindergarten

This is a wonderful opportunity to experience two vintage building box sets, known in German as baukasten. Sure to inspire old and young alike, delivered ready to enjoy.
