

Pair Of Vintage Newspaper Grippers, English, Beech, Leather, Library Reading Aid

DESCRIPTION

Our Stock # 18.9934

This is a pair of vintage newspaper grippers. An English, beech and leather gentleman's library reading aid, dating to the mid 20th century, circa 1950.

- Delightful executive reading aids with tactile appeal
- Displaying a desirable aged patina and in original order
- Select beech stocks present rich caramel hues and fine grain interest
- Dressed with a quality leather strap, tanned to a colour match
- Brass hanging loop adorns each turned handle
- Generously sized grip accommodates papers up to 62cm (24.5")
- Each engraved 'Savoy' to the handle

This is a charming pair of vintage newspaper grippers, graced with appealing beech stocks and rich in colour. Ideal for a gentleman's club lounge or hotel library. Delivered ready to enjoy.
