

Vintage Scholar's Drawing Set, French, Brass, Draughtsman's Tools, Circa 1960

DESCRIPTION

Our Stock # 18.9935

This is a vintage scholar's drawing set. A French, brass case of draughtsman's tools, dating to the mid 20th century, circa 1960.

- Useful set of instruments with appealing vintage finish
- Displaying a desirable aged patina throughout
- Brass instruments showing a natural, light weathering commensurate with age
- Presented within a distinctive purple velvet tray
- Ten pieces including a pair of compass and ruling pens
- Cellulite handles to ruling pens in pleasing cream tones
- Case lining pulls forward with a semicircle protractor held securely
- JFA Unis - France maker's mark adorns the lining

This is a charming vintage scholar's drawing set, with a pleasing selection of quality mid-century tools. Delivered ready to enjoy.
