

Antique Decorative Panel, Japanese, Framed, Silk Cotton Embroidery, Victorian

**DESCRIPTION**

Our Stock # 18.9926

This is an antique decorative panel. A Japanese, framed silk cotton embroidery, dating to the late Victorian period, circa 1900.

- Appealing silk work, framed for presentation on your wall
- Displaying a desirable aged patina and in good order
- Eye-catching silk cotton embroidered with an attractive palette
- Dusk colours the clouds behind a pair of visiting cranes
- Set within a gilt coloured frame behind clear, bright glass
- Shaped mounting loop for ease of hanging

This is an attractive antique decorative panel, with an eye-catching Japanese taste. Delivered ready to mount.
