

Small Antique Pharmacist's Measuring Cup, English, Glass, Apothecary, Victorian

DESCRIPTION

Our Stock # 24046

This is a small antique pharmacist's measuring cup. An English, glass and leather apothecary measure, dating to the late Victorian period, circa 1900.

- Charmingly petite measuring cup, with display appeal
- Displaying a desirable aged patina and in good original order
 - Hand-etched glass with measuring markers in millilitres, presenting a bright appearance
- Protected within a lightly time worn leather case with a distinctive green and purple interior
- Case lid reads 'Minim Measure' in gold tooling

This is a fascinating antique pharmacist's measuring cup, with charming hand-etched measures to the glass form. In good original order and nicely presented, delivered ready to display.
