

Antique Lithography Map, Black Sea, English, Framed, Cartography, Victorian

DESCRIPTION

Our Stock # 18.9997

This is an antique lithography map of the Black Sea region. An English, framed atlas engraving of cartographic interest by John Rapkin, dating to the early Victorian period and later, circa 1850.

John Rapkin was considered as one of the best map makers of the mid 19th century, working in conjunction with John Tallis to engrave maps for the Illustrated Atlas and Modern History of the World (1845-51).

- Quality lithography of the Black Sea and the surrounding region - ideal for display
- Displaying a desirable aged patina and in very good order
- Fascinating cartography, presented tastefully within quality, later frames
- Major locations, regional borders and tributaries annotate the map
- Superb illustrations showcase six ports with ship interest
- Dressed to the rear with hanging cord for ease of mounting

This is a quality antique lithography map of the Black Sea region, with fine cartographic interest. Delivered ready to display.
