

Large Vintage Ship Propeller Display, English Bronze, Oak, Maritime, Mid Century

DESCRIPTION

Our Stock # 18.8658

This is a large vintage ship propeller display. An English, bronze and oak decorative four-blade maritime mount, dating to the mid 20th century, circa 1950.

- Of great proportion and superb decorative appeal
- Displaying a desirable aged patina and in good order
- Polished bronze blades present wonderful golden tonality
- Propeller blades ringing with a dulcet timbre when tapped
- Shaft bore finished with a domed oak cap
- Set upon an oak plinth, with fine grain interest and rich caramel hues
- Quartet of mounting sockets to each corner - four large screws supplied
- Impressively substantial with a weight of 21.1kg (46.51 lb)

This is a charming vintage ship propeller display, perfect decor for the collector of maritime interest or a nautical institution. Delivered ready to mount.
