

Vintage Fuller's Calculator, English, Walnut Case, Scientific Instrument, C.1950

DESCRIPTION

Our Stock # 24227

This is a vintage Fuller's Calculator. An English, Bakelite and walnut cased scientific instrument by Stanley of London, dating to the mid 20th century, circa 1950.

- Quality mathematical instrument of superb interest
- Displays a desirable aged patina and in good original order
- Brass and paper cylinders show a lightly time worn appearance
- Presented within a walnut case, showing fine grain interest
- Brass arm sits within a socket to the edge of the case, upon which the calculator is mounted
- Rotating the cylinders provides mathematical equations of reassuring reliability
- Engraved to pointer with 'Fuller Calculator - Made in England'
- Stanley maker's mark appears upon the tactile Bakelite handle

This is a fascinating vintage Fuller's Calculator, providing complex, yet reliable mathematical answers. As good today as it was 70 years ago, or as an interesting display piece. Delivered ready to enjoy.
