

Antique Watchmaker's Cabinet, English, Tabletop Work Chest, Victorian, C.1860

**DESCRIPTION**

Our Stock # 24099

This is an antique watchmaker's cabinet. An English, mahogany two drawer work chest, dating to the mid Victorian period, circa 1860.

- Appealingly original presentation with a pair of useful drawers
- Displays a desirable aged patina with a lightly time worn appearance
- Select stocks present rich russet hues throughout and fine grain interest
- Flat top surface ideal for assembling and working from
- Pair of graduated drawers useful for watch parts and tools respectively
- Each dressed with an inset, brass-lined lock – untested, key absent
- Quality drawer boxes with mahogany stocks throughout
- Brass drop handles over circular backplates grant access to the drawer

This is a charming antique watchmaker's cabinet, the wide flat top ideal as a work surface with the useful drawers below. Solid joints and construction, delivered ready for the home.
