

Antique County Map, Essex, English, Framed, Cartographic Interest, Victorian

DESCRIPTION

Our Stock # 18.9978

This is an antique lithography map of Essex. An English, framed atlas engraving of cartographic interest, dating to the mid 19th century and later.

- Superb lithography of Essex and its county detail, perfect for display
- Displaying a desirable aged patina and in very good order
- Appealing cartography, tastefully set within a quality, later frame
- Detail given to The Hundreds, the administrative divisions within counties until the mid 19th century
- County emblems, and places of interest in colour add fine illustrative detail
- Fascinating nod to the county's Roman past with the SPQR Eagle
- Dressed to the rear with hanging cord for ease of mounting

This is a quality antique lithography map of Essex, with fine cartographic interest. Delivered ready to display.
