

Vintage Wall Mounted Towel Rail, English, Glass, Chrome, Valet, Art Deco, C.1930

**DESCRIPTION**

Our Stock # 24283  
This is an vintage mounted towel rail. An English, chrome and glass articulated valet rack, dating to the Art Deco period, circa 1930.

- Fine Art Deco taste with an attractive appearance for the home or institution

- Displays a desirable aged patina and in lightly time worn order

- Pleasing silvery tones to the chromed brass mount and rail ends

- Pair of faceted glass rails set in diamond form, with matched caps to ends

- Folding articulation in the manner of the finest historic yacht interiors

- Ideal in a grand bathroom for shaving towels, or accessorising a boudoir for silk scarves

- Two small mounting points set within the backplate for ease of hanging

This is an appealing vintage mounted towel rail, with a versatile and charming appearance. Delivered ready to mount.
