

Antique Field Telescope, English, Terrestrial, Starboy, Broadhurst Clarkson & Co

DESCRIPTION

Our Stock # 18.9953

This is an antique field telescope. An English, brass terrestrial and astronomical 'Starboy' tripod mounted refractor by Broadhurst, Clarkson & Co, dating to the early 20th century, circa 1920.

Perfect for bird watching, landscape appreciation, wildlife stalking, or maritime observation. Equally suitable for observing the night sky.

- <li class="p1">Impressive Starboy model, replete with a superb tripod and accessories in a quality case
- <li class="p1">Displays a desirable aged patina throughout
- <li class="p1">Striking brass brightwork presented in eye-catching, original order
- <li class="p1">Body unmarked as such, but almost certainly by the renowned Broadhurst, Clarkson and Co. of London
- <li class="p1">Being a terrestrial model, the image is displayed 'right way up' through the eyepiece

<li class="p1">Large 3.25" primary objective lens affords a bright image through the scope

<li class="p1">Single draw tube extends smoothly, focused by knurled wheel moving an internal rack and pinion

<li class="p1">44.4 (3) 207 1855 511 parallel to the barrel, with crosshairs

<li class="p1">Supplied with a parallel viewing tube, accessories
information ...
